11:27am at work waiting for dinner

Fri Aug 29

09:49am is bored silly! can't wait till 4pm

10:57am Oh yes twitter all set up now talking to you over the phone

11:17am Testin mark hello there

11:22am Im going to end up using all my texts with twitter now

01:24pm Shocked on spending 41 pounds on computer media

09:37pm Is loving rob's spicy burp

Sun Aug 31

08:57pm Films must see are zohan, dooms day, and the new anchor man.

Also i want new 0100 theme :-P joking

Mon Sep 01

02:08pm Cant belive that the new red bull cola has coca leaves in it is that not what cocaine made of?

Wed Sep 03

02:12pm Setting up servers is fun =/

06:05pm This is an emergency! Please help! <http://piurl.com/Q69> : map of my current location

2009

Sat Mar 14

12:57pm is laughing at the thought how sad he is that he is still hell bent on playing wow.....can I hear WOWGEEK!!!!!!!!!!

06:15pm @xellepher How do you know?!?!, your a traitor to the cause!!!! so the lingo could have changed :P lol

08:22pm I'm gone crazy trying to get caching working correctly on my site, all cus of the damn twitter

08:50pm Has had a case, of the exploding Nut o_0

Mon Mar 16

08:39am @xellepher whats up with you not riding to work then?

11:21am rio 6 build are a pain

01:29pm Testing sucks

04:12pm @xellepher wonders why toms is on twitter rather then working ???

10:03pm Feels rather Meh, can that be a feeling? well what ever it is im feeling like it, need a good cheering up any offers?

10:04pm @SomeURL that is scarily true.....it the last hour i have done more programming then i'll properly do all week

Tue Mar 17

08:42am Coffeeeeeeeeee.....m u s t drink coffee

10:06am @SomeURL Least your not working mate ;-)

09:11pm just had to deal with a pole.....i mean to sell a car to a pole

Wed Mar 18

08:53am Any ideas on a final project? Want to start early!

01:10pm can still hear said person that @xellepher was on about?

Iphones are not that G O O D!

09:12pm Just had to listen to a chav in a car with his "pumping music".

Why oh why Its a purple car owned by a guy(I think) and even worse a micra

Thu Mar 19

09:01am @Carpetviper that's what i thought, I guess he wanted to feel special ¬_¬ chavs who need them

09:17am @SomeURL manage to get you DNS sorted?

11:58am Testing is FUN! with a capital F

01:07pm ooooooh, may have found my wow killer theres a marvel MMO coming out :D

03:06pm is it not 5 yet

03:30pm @SomeURL is that like the build tool alex has made?

Fri Mar 20

08:46am just found his house on google street view fun!

Mon Mar 23

08:40am forgotten my mp3 player, so had to get my laptop out as an mp3, I've lowered myself to his level NO! I Refuses to be at his level!!

09:16am @xellepher Well I haven't actually :P Just crap spelling and grammar.

09:17am @xellepher on another note I am lvl 50 so I have my felguard :D

Wed Mar 25

08:42am i'll redo that.....Just Finished " Darkly Dreaming Dexter" audio I want more audio books the time goes so quickly at work! Anyone have some?

09:53am @eyeh8u thanks, and of course I do :-P if not helps me work better!

Fri Mar 27

09:47am @SomeURL that or serve valuable for the manga porn geeks :P I'm sure...

10:01am @SomeURL never know I would never have thought a Database manga book would get published, so anythings possible now :P

03:21pm The Disc World collection is actually really good

03:28pm @SomeURL I seem to go by my own language, seems to be easier for me to type. Wish I had a better excuse :P

Mon Mar 30

08:08am Is it time for bed yet?

Wed Apr 01

12:14pm anyone know where i can buy projects packages like the stuff for sale on <http://makezine.com/> but in the UK?

12:18pm @someurl however do they sell the full packages kits so i don't have to buy the stuff seperate?

12:24pm @someurl i may have to look was just after a light projector that i could program myself :D I'll have to see if theres any

Thu Apr 02

07:37am still hopelessly trying to find DIY electrical kits that I am able to program from the computer.....anyone?

10:49am Bloody english weather!!!!!!

11:04am @xellepher that would a be the day!

03:37pm tick tock....tick....tock....t.i.c.k.....t.o.c.k goes the clock ¬_¬

Fri Apr 03

07:45am is it 5?

08:21am anyone have discworld books

08:21am For sale that is?

08:32am @eyeh8u hmm do you mind if I borrow some I do have a few as well but there not in order really

09:01am @eyeh8u That'd be brilliant thanks

01:53pm banging my head on a slab of stone seems like so much fun at this moment in time, anyone want to join?

Mon Apr 06

06:21pm ILL and had to spend time sorting out my gmail, rapidshare, and hotmail account as they got hacked at the same time, only Gmail is working

Wed Apr 08

07:46am Just installed Digsby apart from all the advertisements it tried to install so far so good

12:09pm Anyone know the music playlist maker that Mr J Bagley had whilst he worked at cse? Can't for the life of me think what it was!!

12:31pm @zebslc Hey its Matt here from CSE, can I ask what was the playlist maker app you used when worked here I did get it off you but lost it now

Thu Apr 09

07:49am why is it the earlier i go to bed the more tired i feel in the morning wheres the logic in that?

Fri Apr 10

08:43am Rocking out to Beastie Boys.....Ok more like tapping out to
Beastie Boys, Brings back memories.

Wed Apr 15

07:47am Lovong the new Ipod shuffle shame about headphones really

Thu Apr 16

07:54am Goldie lookin chains new album is out and growing on me,
guess next i need to put a stone in my shoe hand down my tracky bottoms
CHAV IT UP

10:21am Children - Robert Mile....TUUNE!!

12:49pm Been reunited with Norton Commander..Brilliant !!!!!

Fri Apr 17

08:07am Need new music.....Bored of hearing the same thing everyday!

Tue Apr 21

11:18am smells a strange smell somewhat like WD40, or is that just me
again?!

11:24am @someurl good im not going mental just yet....

Sat Apr 25

12:40pm @xellepher Congratz actually just came on here to ask how you
did :D but guess you beat me to it!!!!

Mon Apr 27

02:23pm What games shall i get for my new ps3??

Wed Apr 29

10:36am anyone good at networking someone help connect 3 ps3 to 1 router and have the ports open for them all i have one set up as dmz but the rest?

12:52pm @eye8U have to partly agree ipod do just work, but work so much better with the likes of songbird or foobar2000 i do have to say that

03:01pm anyone know a good vbs ide thats free but works like vbsedit?

Thu Apr 30

03:49pm @0100 yep but dads got that i dont need to

Fri May 01

08:06am @eyeh8u can i ask a favour? did you say had the DW audio books read by Tony Robbison? if so any chance I could "borrow" them?
Thanks :D

01:42pm @0100 <http://tinurl.us/f0fe95> if you like killzone2 you should love this

Mon May 04

04:21pm Updating my Ipod is an hard task, what music genre do I want to shuffle this week?.....

08:08pm @0100 yes yes why not :P

Tue May 05

08:17am weekend already ???!? please.....

10:05am @0100 wait till u stop being a student for a year you'll love every holiday

10:57am hate spam twitters!!!!!! I'm not interested so why bother me :D

11:04am @xellepher not sure, the latest 1 justed been to church then got out for a meal with some strapping youth!!! why do i want to know that!?

12:17pm @0100 is this of your new iphone then ?

02:51pm @0100 boys and there toys!! anynew websites planned then?

03:24pm @0100 also whats you PSN name? need friends :P

09:51pm <http://twitpic.com/4mgo2> - teating twitpick from the htc

Wed May 06

08:43am hate new transaction relisting errors.....

11:10am rocking out the new windows mobile 6.5, not that bad really

02:50pm want to start a new web project something quick but fun to develop! any ideas???

03:05pm @someurl your own work??? grade a+ work lol

06:25pm @someUrl geekup?

09:11pm still stuck for ideas!!!

Thu May 07

07:31am @someurl I might do sounds like fun

07:34am ended up not finding anything to program last night, and the only idea suggest the suggester ended up making it ¬_¬ lol, better luck tonight

10:11am @0100 I don't know about that but he very good at blowing his own horn lol

10:23am @0100 yeah but thats the thing what :P

10:53am @0100 rubbish!

10:55am can anyone give spike a gag? got my ipod on and can still hear him

11:19am @0100 not too sure really wouldnt mind doing something with twitter :D may just develope something to rival yours :P

01:40pm @0100 Boring i tell you Twotter.info or something like that even twotter.me

02:02pm @0100 no sense of adventure!!

07:11pm <http://twitpic.com/4qez5> - got WoW on pretty easy and quick, ubuntu wow installationg not that scary...yay...GEEK

10:27pm <http://twipho.net/> ace!!! :P

Fri May 08

07:51am star trek tonight or wolverine???? hmmm

08:25am so it seems it's star trek tonight but looking at #twipho.net there will be loads of geeks there

01:30pm @0100 well you want #twipho.net to get some publicity don't you

03:07pm @0100 not bad not bad, that should bring in the visitors :D

03:39pm Don't I feel like a cock now!! Fuess not open fully just yet!?
Guess I'll not listen to other people for information....

08:56pm star trek is a must!!!!!! F'in Ace so much so i feel like a giddy child :D and want to the ability to pre-order it now

Sat May 09

07:15am @0100 need your number again, ta

Sun May 10

12:44pm new sites design in the works, now to just figure out jquery :D

02:31pm @0100 its not too bad got to get my brain back up to scratch with css, but yeah still trying to get jtip working with jquery fun!

03:30pm why do i fail to grasp jquery

06:35pm finnaly after hours I have something buggy working with jquery, even though its buggy it works :D

06:55pm @eyeh8u yeah I know what you mean I ended up asking on a forum, as the documentation was all over the place but I am getting there I think

06:59pm @0100 mattd.ath.cx hope you get it here lol

07:10pm loving cufon for custom fonts :D , It's brilliant and funny enough really easy

Mon May 11

07:40am <http://tinyurl.com/rd6q9f> - My new design is comming on well, unless you you use IE that is, Damn you IE, Damn you IE

07:48am @SomeURL I didn't borrow it :P Came part of the tutorial for Cufon guess I'll have to stop it loading in IE then.....Fun

09:44am @0100 thats pretty sweet damn IE!!! Think I'll do some serious development on it tonight :D

12:22pm RT @eyeh8u <http://startpanic.com> - courtesy of @someurl now panic.

02:31pm what shall i do on my site tonight....HmMMM

05:23pm twitter moods - may be my new project to add on the site
hmMMMM

06:34pm M:Happy Testing my new mood tweet :D

06:54pm @0100 it's only to parse on my website nowt special lol yet...

07:04pm *Optamistic* Sorry one more test!! this may go on all

07:14pm sorry all one more *Feeling horrid*

07:22pm <http://twitpic.com/4zs0v> - @0100 YAY look

07:31pm *Loling* <http://playhimoffkeyboardcat.com/> god my student humour

08:31pm *Listening To Marmaduke-Duke* This album is awsome :D

10:06pm *searching* Need some twitter bird icons desiging doing
diffrent actions.....hmMMM

10:11pm @0100 - *replying* Aye it has! go get it

10:27pm @0100 *Loling* time for bed?

Tue May 12

06:32am *tired* hate my alarm clock sleeeeeeep

07:53am *Working* SQL formatter in development....Regex here I come

11:47am @0100 got it then? *On lunch*

12:28pm *back to work* still need to find some twitter animations for
my script

01:41pm @0100 *Shocked* Get in the cinema to see there no other place to be to watch it GO!

03:28pm @0100 *playing the worlds smallest violin* awww didums, so what did you think of it?

Wed May 13

09:04am *In need of a new phone* after dropping mine for the last time, it's becomming a part touch screen

10:59am *Getting a new Phone* Just waiting for lunch to pay for it :D, G1 here I come :D

12:55pm *Listenting to music* skin the mofo alive

01:36pm @0100 yeah but g1 for a £100, I couldnt say no :D

Thu May 14

09:16am *Shattered* need sleep...

01:30pm finnaly have my tracking number for the g1 it on its way! all need o pay for it my unlocking fee *finding unlocking sites for g1*

Fri May 15

08:32am *waiting egaerly* The new phone should be here soon, be my luck its a scam HA!

11:23am *guttet* g1 is here but am working so can't play :(

11:49am <http://twitpic.com/57kn1> - *on my new phone* first thing to test is twitter of course bye old phone

12:03pm @0100 *knodding* yup

Sun May 17

05:10pm April showers in may yay british weather *wet through*

Mon May 18

09:30am *hungry* why does the second sandwich take so long to get here!!

10:15pm L: <http://is.gd/B6Pj> *testing his phone* after rooting it

Tue May 19

08:29am @0100 aye and that want even using gps just my 3g connection so not bad at all

10:02am *trying to keep my eyes open* why the more sleep I have the more tired I am

Wed May 20

10:24am *feeling sick* just had world sickest sandwich florida chicken=fruit cocktail+mayo+chicken not nice at all

01:35pm *Listening to Nebulous Series 2* "I've got to say theres a flaw in this plan"....."Of course theres many floors, it's a floor plan!".

10:14pm *skint* had to buy two new tires for my car talk about bold

Thu May 21

08:46am *cursing* Damn, forgot my headphones for shuffle so can't listen to usual rubbish DAMN proprietary Headphone on the shuffle DAMN YOU!!!

12:11pm *happy* I Found my headphones in my car yay

Mon May 25

12:45pm *Tired* Think its time to whatch The Spirit on Blu-Ray

Tue May 26

10:05am *loving* three day working week :D

12:10pm *Still loving* well I hope not im at work :D

01:26pm *clueless* To pass my year out, I have to do a presentation to the company about the company makes sense!

Wed May 27

10:01am *Stir Crazy* she won't shut up!!! please put her on mute!!

Tue Jun 02

07:45am *ready for another holiday* Back of the long weekend in the sun! Think I planned it pretty well!

10:00am *Siging to a bit of M.Loaf* Ahhhh musical bliss

Thu Jun 04

09:25am *Humming Baba O'Reilly* forgot how good The Who are!

10:51am *Shocked* Just realised how much my home server is costing me a month, time to change it's job role but what can i do that is cheaper!?!?!?

Fri Jun 05

07:39am *Wondering* Bing search engine is that not the google for the porn world? Wonder how long that will last before angry mums change that?

10:14am *pondering* wow i`ve been on my placment over a year now doesn't feel like it wonder if I've played a key member?

Sat Jun 06

07:03am @rangercej yeah actually a classic I use to love to watch

10:20am *fed up* bored of my current collection of games..... actually bored in general

07:33pm <http://twitpic.com/6rl2s> - *scared* with the new sims you can make really really scary likenesses. I will upload actual side profile later

Mon Jun 08

11:11am *near boiling point* he`s on top form again! Headphones will not go high enough to drown the noise. Anyone have whitenoise in the can!

12:17pm @xellepher still not be loud enough i'd still hear the word corsa comming from his mouth everynow and then :P

12:18pm @eyeh8u @SomeURL got it in one

Tue Jun 09

08:28am *geeking* heavy eyed and can't wait to get home

Wed Jun 10

09:08am *back to the norm* damn parents are back today wonder if house is clean.....

03:40pm *not ready* have my placement year presentation god this year as just flown!

06:25pm *Fed up* Bloody nora! traffic was a nightmare bloody rain

07:57pm *Doubly fed Up* why oh why did i buy a home server need to set it up anyone know of any good ready to go IIS installers for PHP, etc....

Thu Jun 11

07:39am *Wondering* Don't you just love city wide panic that turns to nothing :D

08:01am @eyeh8u take long to get back from london? Or is that bad subject to mention?

07:24pm *feeling achived* Flush coolant in car, found camera charger now to find the video one :D

09:33pm The new vidzone on ps3 is actually not that bad a lot of music

Sat Jun 13

07:45pm *losing it* 8 hours in a car down to cornwall going mental

Sat Jun 20

03:58pm *shattered* back from the land of pasties and clotted cream rather fresh to say drove none stop from 8 this morn

Mon Jun 22

10:42am *Blah* wish was back surfing :(

Tue Jun 23

08:13am *Confuzzeld* so went to DRs about my nose bleeds when I get hot and its apparently a good thing its my bodies way of cooling me down

¬_¬

11:10am @0100 how the rat race turning out for u then?

01:22pm Feels a nose bleed comming on damn heat

02:40pm @0100 Ahhh the early starts are the killer but hey getting paid for webdesign is nt bad lol

Thu Jun 25

09:45am *geeking* just bought gears of war book and wow what a story

10:38pm Micheal Jacksons died??????? w o w

Fri Jun 26

07:46am *well gutted* can't go see jacko in july now that's put a massive dampner on things :(

09:16am *listening to sigur ros* Their music is brilliant but feel it too "relaxing" for work.....hmm let's find some madcapsule market

11:21am @0100 Have fun! bet you can't wait

Mon Jun 29

09:10am Want to develope somthing.....but what

09:20am @0100 one word, rubbish! Lol

11:09am @0100 seasick yeah, white lies still no

12:13pm @0100 Ahhh not bad nah working till Sept :D! Hows it for you at your end then?

12:25pm *melting* sweating like I've done a full blown workout

02:20pm *Wondering* If feeling this horrid now, what it going to be like when the heat "starts"? OH THE JOY!

Tue Jun 30

07:36am *wondering* hmm may have ran a red light with a traffic camera the joy.....

01:46pm @0100 you done any .net yet?

02:29pm @rangercej @xellepher however still not any cooler!

07:19pm just installed ping.fm on my blog and activated ping with twitter and wordpress fingers crossed

07:46pm ping.fm works really well now don't have to go on two diffrent sites to say the same across them both

09:15pm going to be a fun night the heat is horrid yet again

Wed Jul 01

07:42am Stuck for ideas for my final year project for uni any ideas?

09:21am @0100 must try ping.fm its really helpful to use for both twitter and wordpress blog

09:28am @xellepher got some AAA's then?

11:04am @0100 so that you can actually wright a full blog post from one place and from your phone :D

12:20pm HOT!!!

Thu Jul 02

07:56am *on the verge of crying* the quietness in the office is now over its back to haunt me!!

09:42am wait why do I have def leppard on my playlist.....suppose ill just have to listen to it *pour some sugar on it*

12:32pm ahhhhhhhh a fan blowing in my face utter bliss ahhhhhh

09:02pm @mwinder didn't realise there was a fellow diggnation fan in our office

09:58pm @mwinder yeah i like that and other rev3 casts like coop,tekzilla and hak5 never heard of twit cast will have to check it out

Fri Jul 03

08:11am WTF!?!?! RT: @gamespot: NEWS: Asteroids on collision course with theaters <http://gamespot.com/6212902>

08:34am @0100 not hard at all fella, you should do fine

10:06am @0100 never used that done it all manual, I wish could help you may as it really is good when you know how to use it lol

10:17am @0100 lol tell you what i can give you a remote desktop connection to my server tonight if you want and then can work with there if you want

10:25am @0100 we are talking about microsoft here!!!!

11:24am @adz21 I've had that alot it but mine happens to whoever I followed last

11:32am @someUrl I do try to structure my sentances and spelling correctly honest I do seem to be those damn twitter gremlins ¬_¬

12:18pm @gamespotuk i think i should win the gold ipod as it would go well with my gold teeth !!!!

12:39pm The heat is picking up now I feel, And why wont the bloody msn messenger work

01:22pm @0100 had any luck?

Sat Jul 04

01:48pm @0100 you missed the puking one :D

07:53pm any one good at programming camera object detection??

09:15pm @0100 ahhhh naughty should you be swearing on here? since it goes on your front page of the site lol...least some1 having fun!

Sun Jul 05

03:25pm wonder how hard would it be to develop a webbased WYSIWYG editor

03:59pm @0100 It's going to be my final year project and I don't mean an editor like fckeditor I mean a designer

04:00pm @SomeURL well I don't mean an editor more of a designer you think will be too much work for a final year project?

04:46pm @SomeURL yeah resizable and stylable

06:14pm @SomeURL true true, I just want something special for my final year project I suppose..it this or a webcam based keyboard

Mon Jul 06

06:15am gahhh seems ill be in work extra early today, say about 8 :(all for the love of a girlfriend. pffft women who'd have em.....

07:11am yeah, my expectations where correct 8 o'clock on the dot ¬_¬

10:51am Not sure if this is Geeky? However the Halo books are a really good read or listen if you have the audio book :D need to get more I think ??

09:55pm hmmm just been accepted onto the windows azure beta program.....what is it?

10:08pm ahh right so I have no real use for it at this moment in time :P

Tue Jul 07

07:48am Hmmm there's a burger van near enough outside our offices talk about temptation!!

10:41am Must wake up!!!!!!

12:11pm @someurl let me know what it is like i've always been tempted to get one but not sure if it's worth it

12:18pm Just got a menu for the new "buttie" van that has appeared near work, It all looks so tempting.....

12:21pm @SomeURL well keep me posted on what you make :D see if you can push me to buying a kit!

01:37pm @SomeURL kool all joined up I'm really thinking of getting one now :D

Wed Jul 08

02:50pm urggghhh Alcohol is evil, it hurts my head.....

03:44pm @someURL whose your ISP?

03:46pm @SomeURL ahh right'o thought it was one of the major ISP's then just wondered if I was affected guess not :(....I want cheap 50mb now

03:59pm @rangercej I may have to try that it's usually a banana sandwich and cranberry juice that cures me however not this time...damn absinthe

06:13pm HA! brilliant <http://www.agentsvselves.com/>

06:18pm But it's the BBC?! RT @SomeURL: <http://www.bbc.co.uk/ glow/>
BBC JavaScript lib - Interesting stuff, with an emphasis on multi-browser support.

08:14pm @0100 I know now out of the companies to bring a javascript library out I wouldn't have guessed bbc

Thu Jul 09

07:50am FUN! I seem to be in a very short tempered mood and Spike will not shhhhhhhh! ¬_¬

01:59pm @0100 ouch! how you going to sort it?

02:16pm @0100 i know what you how you feel i've done that many many times before, even at work! you'd think I'd learn!

02:52pm @0100 can you not use a harddrive recovery software

03:04pm @0100 Try TestDisk <http://bit.ly/4asrtD> I used this when I deleted my partition on my 1TB hdd

03:45pm @0100 tahhhhhhh awell :P you are a student after all

04:55pm anyone got suggestions for a new name for my blog want it to use .eu just because it's cheap

Fri Jul 10

07:48am <http://tools.mozilla.com/> Hmmmmm

08:24am @0100 not really good for my personal blog lol

08:38am @0100 did you try that testdisk?

08:43am @0100 it might do, as mine corrupted one didn't, it should work

09:17am @0100 how about if I can get it mad.eu or madeloughry.eu don't know think I may get something with my name not too sure...

09:41am I know I know but I'm looking for the cheap stuff lol, and EU is very cheap you see :P

09:53am @Someurl I don't actually get any traffic on my site anyways so really I don't know why I do it or even want a domain :P

10:30am @0100 let me know how it goes

11:30am @someurl let me know if you have a play i may come and have a gander at what its like!

12:22pm @0100 fat pig!!!

02:55pm Brilliant RT: @SomeURL: Ahaha, WTF?!RT

@richardathome: <http://www.eternalmoonwalk.com/> :-D

07:10pm this is beyond a joke.... bought bf1943 on wensday and still only been able to play 4 games damn servers are full

Sat Jul 11

05:13pm hmmmmm stake!

Sun Jul 12

10:34am just ordered my Arduino starter kit thanks to @someurl :P

01:47pm @SomeURL what remote control car do you use?

01:52pm @SomeURL oh right so you dont need anything special to do, that's ok then I may have to have a butchers when I get mine

02:02pm @MikeMc68 never knew a member of SHACKNET owned Earthshine Design, small world :D can't wait to play with my kit!

04:49pm @0100 HA! loser :D

Mon Jul 13

07:41am Just trying out the new #bdule by sobees and tell you what its nice, silverlight, WPF and twitter works :D

07:47am @0100 & @twipho look what i just stumbled upon :D <http://bit.ly/1ae97W>

08:47am Can't wait for my Arduino kit, what can I make???????????

09:35am *Undecided* which sandwich van shall i go to the 1st or 2nd.....or I could go to none and go to co-op at lunch hmmm decisions decisions!

12:13pm @0100 so you have another popular website then :P think you can get some revenue from it?

12:36pm My #Arduino Starter Kit is on it's way, can't wait to get my geek side on :D

01:32pm Just joined an #arduino twibe. Visit <http://twibes.com/arduino> to join

02:46pm @0100 suppose you could always sell it on in the future if you wanted, but other then that it's a good portfolio site.

06:35pm whenever i try to unzip the arduino software I get CRC Failed file broken how can 2 diffrent mirrors be buggered damn machine playing up!!

06:40pm ok so got it working by extracting ever file one by one ¬_¬

09:17pm @EarthshineDesig any idea when you will get anymore lcd modules back in?

09:24pm @EarthshineDesig Cool shall order 1 or 2 when they come in, and I haven't even got my starter kit yet ^_^

09:28pm <http://vimeo.com/3072038> Think this shall be a project of mine when I get into my arduino a bit more :D wonder how hard it would be to make

09:33pm @EarthshineDesig I'm always a little child when It comes to new toys want there and then

10:15pm <http://bit.ly/vDzF5> is that worth it?

Tue Jul 14

07:39am Ordered my 8x8 Bi-Colour Dot Matrix * 5 and my solar panel for my arduino last night ^ _ ^

09:30am My new toy as arrived guess I'm spending dinner inside the office :D

09:44am @0100 Am i? It's only because I comming to the end of my placment year so I am getting the stuff wont be able to afford next year!!

10:00am <http://m.ea.sl.pt> If anyone want to preorder the collectors editon of the new COD :D get night vision goggles aswell

10:08am @0100 nah only this purchase really, the others are compenents for it not much. Hows work life treating u

12:06pm Very productive lunch I managed to set up a circuit that flashed 2 LEDs in the space of 50 milliseconds each

01:06pm @MikeMc68 Thanks for the kits works a treat :D will leave feedback on ebay when I can actually get on and not be blocked by a firewall :D

07:50pm scrap the last post - <http://bit.ly/31tTg> This is my first hour with arduino

09:58pm @MikeMc68 If by robot you mean an led that is controlled by a switch then just, just maybe :D

11:05pm arghhh just tried to make the variable nightrider and my leds are flashing really fast and not able to change the speed whyyy

Wed Jul 15

07:27am Still got the fast pace flashing on my variable knightrider, Do i just fail on all input side of the arduino?

08:02am @someurl yeah i have :D... I'm not sure what i did wrong because this morning quickly made a dirt simple led light switch and it works.

10:06am My backing is killing me this morning, quite literally nearly fell down the stairs because of it!

10:18am @rangercej he has a driving test today :D

12:06pm right so i "think" i'm not a complete failure it looks like the potentiometer went bye bye, oh well on to the next project :D DOT MATRIX????

12:54pm @Rangercej not sure if it ever worked I had a circuit set up same as @someurl had so just gathered it was that was bust as the rest works

01:41pm @rangercej yeah think I may try that when get home but guess not going to cost much for a new if not :D

02:00pm @SomeURL If you do pick up an iron let me know how much please? as i only seem to have a solder gun not exactly easy to use on small areas

03:59pm 40 Min drive home before I can geek it up with my arduino board :D

04:45pm @MikeMc68 Just a bit :P

06:12pm I Fail....I seem to be unable to graspe resitors

06:31pm @earthshinedesig quick question in the starter pack do we have the resituors need to do all the projects? I can't seem to find 1k5R resitors

10:28pm trying to add a button to change animiation on project 17 of the #arduino guide not going well lol

Thu Jul 16

08:15am @earthshineDesig Will check when I get home, but don't worry I not that fussed about them I'll just go out and buy some if I do need any

02:52pm next lesson learn how to work out what type of resitor is needed for what equipment im using so I don't set my petentiometer alight again :D

Fri Jul 17

08:50am dead....

10:47am #oldskoollyricoftheday. Like a bat out of hell i'll be gone when the morning come *insert guitar here*

01:24pm @rangercej ahhh think yours trumps mine. forgot all about that song until now must find it

02:38pm @MikeMc68 is there one main place you get your parts from wouldn't looking for battery adapters

02:44pm @MikeMc68 well want to hook up the solar panel I got up so that it charges the battery then power the arduino if that's possible :)

Sun Jul 19

10:25am want to do hackingtosh on my viao but don't want to get rid of linux.....hmm why can't laptop have dual harddrives

10:34am @MikeMc68 I would but I tend to bugger these things up

11:37am Sod, wiping linux off :D and using mac on the laptop here goes to plan

11:52am can't wait for #shacknet hope you guys can teach me how to use my arduino how it is suppose to be used at the moment im failing :P

Mon Jul 20

08:21am wispa golds are comming back onto the scene....RESULT!
thanks to a trip to cadbury world

12:29pm wants a good VBS IDE/Debugger. I've never wanted breakpoints and step through more then now.

Tue Jul 21

08:28am Grimey morning, windows 7 installed on laptop, just found i have a expensive remote contol car that i never used probs never will.....

09:30am question to whoever: - Q. Can I use any rc car with the arduino?

12:11pm Watchmen Blu-ray and Star trek Blu-Ray Preodered :D

10:04pm Do i really need one, actually can I ever afford one O_o <http://bit.ly/2IJFW3>

Wed Jul 22

09:20am @0100 go on then lets see!

10:34am Anyone have any paracetamol?!?!? or a saw to cut my head off so i can't feel the pain anymore???? only use the latter if all else fails :D

10:47am @haunted_knight cool, can i Steal two then please will nip round thanks

11:10am @MikeMc68 If you want :P But i know I didn't take it :P

01:13pm @GunstarCowboy yeah would love to make one using my arduino !

03:51pm @richardrixham Cant wait for #shacknet ! with it being my outing ever like this what equipment would you recommend i bring? laptop? arduino?

Fri Jul 24

10:21am feel rather refreshed today and really want to sinky my teeth into some good coding, shame its only VBS I'm programming in :(

11:58am should i watch office space tonight is it actually that good.....*Duck and cover for the fire*

Sat Jul 25

08:38am nice sunny morning ghost busters the game hmmmmm what morr could I ask for

Sun Jul 26

10:41am Finnaly managed to watch office space.....and by god it's awesome. "I can set this place on fire"

11:45am @xellepher what car?

12:40pm RT: @richardrixham: #arduino Details of first #shacknet meeting. <http://bit.ly/dXVRP> All welcome. please RT

06:23pm sitting down to watch watchmen on Blu-Ray, This has got to be one of the best films going at the moment anyways :D

Mon Jul 27

08:54am @someURL @Richardrixham I can bring a basic DV camera we could hook up to stream and if can find in my messy room a audio box and 2/3*MICS

09:19am @richardrixham I'll bring my laptop then :D I'll buy some tapes as well if you want so that can be saved into an 'edited' episode :P

Tue Jul 28

10:05am Please no more commenting 85,000+ line dsq1 scripts

12:07pm @richardrixham That does look fun I may have to purchase one :D would it be hard to work with ?

Wed Jul 29

08:24am So it looks like the summers over.....what the whole week we had.....typical.

01:05pm Listening to the #RockyHorror Soundtrack.....I'm not sad honest

01:49pm Looks like MS and Yahoo! Have finally made a deal <http://tr.im/uAmV>

05:04pm @GunstarCowboy Two Thumbs up! Would love to learn from you guys and also swap arduino bits as well

05:11pm @MikeMc68 also doesn't work that well on windows 7 just keeps bugging out and sticking two fingers up at me :D

Thu Jul 30

08:19am @majornelson is there a support forum for the NXE Beta? I have had my dashboard update, but no email or update on Connect. Is this normal?

12:35pm @0100 Tooooo much time.....

12:36pm @0100 The People i mean not you :P HONEST

Fri Jul 31

09:22am @xellepher if they fully block it though, won't most of the Internet site just not fully work :P nearly everyone uses it on their websites

09:38am RT @haunted_knight: RT: @channel4news: Sir Bobby Robson dies << RIP... bugger

10:08am *Feels Drunk* The new alcohol rub seem so potent that just rubbing in my hands could make you drunk!

10:22am @haunted_knight I'm still able to tweet through the third party apps, just can't get onto the main site, but other third party sites work

12:14pm never miss UK freeview channels again <http://www.tvcatchup.com/>

Mon Aug 03

07:34am Thats it Twitter at work fully been blocked, guess work must now be started....erm I mean more work :-D

06:53pm just hacked htc hero onto G1 :D

09:09pm @fblade1987 earlier comment: spoke to soon :(

Tue Aug 04

01:47pm @MikeMc68 apart from being scammed no :D

03:42pm @haunted_knight hes got to be the most laid back person in the world

06:30pm cheating sods three want to charge me 135 quid to cancle my contract 3 months early but if i carry on paying it will only cost me 90
hmmm

10:27pm #OldMenGivingAbuse No 1. I'll pelt you with worthers how's about that for orginal!

Thu Aug 06

07:40am What's this a glowing yellow thing in the sky with blue around it, I just cannot remeber what it is.....

11:26am So that explains it, It was Flant day(flying ant day)! i thought there was a large amount of the buggers yesterday <http://bit.ly/NGTTK>

Fri Aug 07

09:43am @SomeURL what you going to put on it then just adsense again? :P

11:00am is friday mass spam twitter followers day. in 3 hours had 12 people add me.....STOP IT!

11:08am @SomeURL good idea lol

11:27am #FuckOffFriday @Alexisros23 @isabellazo75 @VikC
@Destinee_Hall_6 @JuliasThings @StephanieTalks @JayLeggett
@acne_is_cured @Maggie_Dixon_86

12:11pm @0100 its bloody annoying just had a another 2 over lunch
think #fuckofffriday is going to be a new trend

01:47pm have i been included in a mail list for these twitter followers
bugger off its getting beyond a joke

03:56pm well think england's just bent over and let the aussies butt f**k
us! #hownottoplaycricket

Mon Aug 10

08:14am Itweet is now blocked....hmmm guess fall back to the phone

08:19am @SomeURL how? You must be liked i got kicked off that the
first day they started blocking.

09:09am YAY it's back

11:29am So glad gone with o2 rather than three for sim my phone can be
used the way it should and not be tied down to a gig usage

10:24pm Ea direct download is pants just activate my bf2 and bf2142
booster packs grrrrrr

Tue Aug 11

07:30am Still having issues with BF2/2142.... still can't play booster pack
on BF2 and now Punkbuster being idiotic and won't work with win 7 bit!

08:35am @SomeURL Yep it is, going to be fun this afternoon!

08:51am @GunstarCowboy It's OK Though I wouldn't pay for it it's
a film you don't have to think about just put on and watch, no mental
power needed.

Wed Aug 12

08:09am Gooooood Morning Uuuuunited kingdom. Shouldn't have watched Good Morning Vietnam

08:36am Good old calvin!! RT @MikeMc68: This is certainly one of the most interesting uses I've seen so far for an #Arduino - <http://bit.ly/12ooMa>

08:51am well this is silly is it not :P <http://imgur.com/6zjNO.jpg>

02:17pm Hate testing stuff that i know full well that going to fail, then raising a bug to someone must be upsetting a certain person(@xellepher) :P

Thu Aug 13

07:28am hate starting work early :(

08:16am @MikeMc68 Just a quick question any idea the arduino breadboard kits, are going to be out really want one :D

08:34am @richardrixham @someURL I'm Hoping their Arduino Bb kits are in soon would really like one, even though i'm still stumped on what to do!

11:30am @MikeMc68 brilliant be ordering one then :D on pay day as well result!

08:37pm RT @haunted_knight RT: @IAmJericho: RIP Les Paul, the inventor of the greatest guitar on the planet...

10:54pm well heres something you don't see everyday <http://bit.ly/5oChI> MS ordered to stop selling word!!! O_0 looks like a daft ruling to me

Fri Aug 14

09:24am Just ordered My Arduino breadboard kit from
#EarthShineDesign can't wait till there back in stock

01:02pm @SomeURL Also I'd hate to hear how she'd sounds in a
emergency, I mean she already make everything sound like a disaster has
happened now!

01:42pm Right! who in the office has fleas :P we're getting bitten again!
Glad I'm tasty to something

10:41pm @MikeMC68 did the breadboard kits come in today? can't wait
to play with it

10:47pm @MikeMc68 brill thanks :D can't wait want to use it to make a
RC BB firing tank :P

Sat Aug 15

11:19am @GuardianRobot #highfive

12:25pm which sounds better wee.me.uk , shh.me.uk , uto.me.uk? all will
hopefully come clear later!

12:56pm I went with wee me I shall hopefully reveal it all later :D

Sun Aug 16

01:26pm <http://trickierstinky.mybrute.com> fight my brute!!!

03:00pm Testing FIght ME <http://wee.me.uk/z403e>

03:01pm brilliant seems my lil URL Shorting works what else can i make
on it

03:02pm @0100 did you get my text the other day about domains? also
need your serivces if you have time :D

04:54pm @0100 yeah i seem to have you old one and vise versa as im on 02 now will DM u it!

Mon Aug 17

07:30am <http://wee.me.uk/178i3> Fight My BRUTE!!! Do It NOW!!

11:37am Yay! just ordered my RC BB firing tank, anyone want help me hook it up to my arduino????

12:28pm @SomeURL hopefully it will come in time i doubt it though as got it through a amazon marketplace but if it does i will :D

12:45pm wow, just found out my tank has a "working" Dozer front as well

01:05pm @Robyn5656 wtf you doing on here?

01:47pm RT @majornelson Ghostbusters is 25 years old. Watch the the complete movie on YouTube : <http://tr.im/wxbf>

05:23pm @MikeMc68 what project you thinking of?

05:28pm wow you have a fon?!? your not a hak5 fan are you by any chance :-P, can just think of the fun you can do with a fon and arduino :D

08:37pm @0100 yeah but that was a retweet

08:57pm @0100 well yeah could do... nah not had time been busy with getting ready toback to uni

09:27pm <http://wee.me.uk/eoedn> Go on fight my brute

09:34pm @someURL what idea might that be if you dont mind me asking, sound interesting if your writing a spec!

09:37pm @someurl ooh sounds interesting! may have to bug you then in my final year when i get to play with unreal engine for my games design course!

09:42pm @someurl hmmm sounds interesting thats for sure!!!!

Tue Aug 18

11:31am which : c&c 3 games is best to get red alert, tiberium war, or kane's wrath, also what are starcraft and warcraft 3 like?

03:25pm Yay my tank has been dispatched fingers crossed it comes for thursday

06:11pm @mikemc68 just a quick Q, what actually comes with the breadboard arduino?

07:43pm Fight my brute <http://wee.me.uk/z403e>

08:22pm @0100 serious? Think it looks butt fugly! Now if they kept the design of the ps3 but made it smaller then yes FAT DESIGN FTW!!!

08:26pm @SomeURL the only rule is "photoshop" to achive that quick. Now to only invent real life photoshop....oh wait that's lypo....

Wed Aug 19

07:31am @richardrixham @SomeURL - Just to let you guys know I may not be able to bring my camera 2morrow as ive lost the large to small FW adapt ...

07:31am @richardrixham @SomeURL If I can get hold of one i'll bring the video camera but if not sorry guys!

08:25am @MikeMc68 really!?! now that would be a feat to make an arduino from that :P

11:16am @0100 Phat FTW!!!! Slims just looks fugly and a cheap hong kong ripp-off

01:56pm YAY my tanks come

02:00pm @richardrixham I'll bring it 2morrow let you guys show me how its done

10:01pm yay the tank seems to be pretty straight forward only 4 buttons shouldn't be that hard, says him who doesnt know jack about arduino modding!

Thu Aug 20

07:51am #Shacknet TONIGHT! Actually can't wait its the first time I've been to anything like this before

11:02am RT @shacknetwork: #shacknet tonight 7pm, The Showroom Cafe/Bar. Hope to also be doing a live webcam using twitcam.com pls RT

04:34pm Due to weather seems ill be at the showroom early give me a shout if annyones there already im the one looking lost with blue back pak on

05:04pm Also anyone whose going to #shacknet could guide currently sat in the bar looking lonley and again lost

Fri Aug 21

10:15am @GunstarCowboy yeah that's the one that can make a 1500 in a day. Also thanks guys #shacknet was brilliant can't wait for next month

04:55pm Result I have my tank wired up to the arduino just need a controlling interface now :D atm it's just moving forward to "hello world" code :D

Sat Aug 22

08:37am Any recomendations for a wireless module for the arduino?

06:20pm Yay just got a wireless camera to fit to the tank now need to make a interface for it all

10:03pm @earthshinedesig thanks it came today, can't wait to start bulding it looks hard and tutorials you could recommend?

10:03pm @earthshinedesig Also really big thanks for the extras you didn't need to at all so was a real nice surprise

Sun Aug 23

11:36am @richardrixham + otherShackneters : I may have some spare webspace on my server if you want to use it so a better site can be develped! let.

11:37am @richardrixham + otherShackneters : let me know it a grid host so we can have a windows box or a linux box so we have all capabilities

11:38am @richardrixham + otherShackneters : and we can have ftp and phpmyadmin access :D

Mon Aug 24

07:35am noooo msn gone from work....what are we forced to do now work :P but wait meebo still work guess that will have to do

07:46am @richardrixham @gunstarcowboy It is only webhosting nothing special i have a 10gig space with 150gig bandwidth and only use <1gig

10:00am @GunstarCowboy no its no problem at all, if you send me some details of what you wan installing ill sort it! ill work on it 2night :D

10:13am @GunstarCowboy what i'll do is set up a subdomain for now until your happy then do it so you can have domain name on :D

12:37pm @SomeURL can't say i've heard her.....must be going deaf 0_o

02:52pm "We want thunder and lighting faster faster ally ally aster"

03:13pm anyone know where i can one of these or something simlilar for UK posting and cheap :D <http://wee.me.uk/kd0xg> #ArduinoWiFiShield

Wed Aug 26

08:59pm <http://twitcam.com/x57> - testing wireless camera ready for tank of doom

09:02pm <http://wee.me.uk/6aiyv> TANK OF DOOM, nearing completion and only with help from one person thank @someurl

09:03pm <http://twitcam.com/x5g> - testing

11:07pm @SomeURL yeah i had 5 mins so i thought id do it when oi get the bluetooth module thats when the daddy of videos will be done :P

Thu Aug 27

07:37am @0100 here thought you'd like it <http://wee.me.uk/4e9lh>

09:40am @gunstarcowboy anymore thoughts on the web hosting? if you let me know by tonight i should have it all sorted before nights out :D

10:41am @GunstarCowboy ahh yeah that one thing that may be hard only way i can think is do it manually the forums that is

10:54am @gunstarcowboy well tell you what i'll set up a forums for the time being you can populate and customise then we have it there ready

10:55pm @gunstarcowboy @richardrixham <http://shacknet.wee.me.uk> I've started importing what you think?

10:57pm nw addition to my Tank <http://wee.me.uk/twnng>

Sat Aug 29

06:40am @MikeMc68 just a quick question mike you got on any good tutorials hoe to make the breadboard arduino I juast don't want to blow it up! :P

02:16pm @MikeMc68 oh no dont go out of your way to make one i was just wondering if there was one that you knew of?

Mon Aug 31

02:15pm struggling to get my arduino bluetooth module working grrr

02:39pm @richardrixham that all depends on if i get this bluetooth module working, then should be able to control the tank with our an rc controller

Tue Sep 01

07:58am spent all night trying to get the bluetooth module working, with out luck :(anyone have any idea <http://wee.me.uk/zal80> #arduino #bluetooth

08:02am <http://wee.me.uk/k1k0j> fight my brute

11:31am win a VW Camper from Fat Face - <http://winacamper.fatface.com/mdeloughry>

Wed Sep 02

11:12am So close to finishing the RROD(Remote Robot Of Death) all need to sort out is the bluetooth communication! Getting It ready for #shacknet

11:15am @SomeURL yeah but without the bluetooth working it has to be on a usb leash lol

11:28am @richardrixham nothing special I don't think nothing compared to the painting robot!

05:11pm well what do you know the bluetooth issues was down to the arduino IDE not anything else i have bluetooth

07:16pm ahhh another hurdle i know have bluetooth talking to it but there doesnt seem to be enough power to move the motors :(can any one help?

Thu Sep 03

10:58am <http://wee.me.uk/71lz> - WIN A PARTY AND WINDOWS 7 sound like gun

06:02pm @MikeMc68 sorry could i pester u for help im unable to build the BB arduino from their site u know anyother places which are easier? thanks

07:43pm hmm tank works with BT if i have battires on the tank and then one on the arduino one on the camera wonder if too heavy?

Fri Sep 04

12:07pm <http://wee.me.uk/k88t2> sounds like a perverts wet dream!

04:55pm got over the breadboard issue for my tank use a small ide cable :D

Sat Sep 05

10:43am #District9 is a good film, Matt is pleased

Sun Sep 06

02:02pm anyone know of a good nzb search tool and downloader?

07:58pm @balatimer Thanks will give them a try found a code to get a unlimited service from newsdaemon for hosting 7.63 month

Mon Sep 07

07:40am What a week 4 days till I'm fully a dirty dirty student

03:26pm New Blog Post: : quick test post <http://matt.developedthe.net/?p=40>

09:06pm @balatimer oh yeah just to let you know i dont need newleecher i got a copy :P

09:06pm @balatimer thanks anyways :D

09:35am Just today at work, then off for Merriment and birthday drinks! 23 on New years eve and you will all be celebrating it...not that new year!

10:14am @rebeccajesson Not sure of a website, but look for a spiced zombie, or a flat liner. Will sort out the men from the boys!!!

10:43am Must recommend the Magic Trackpad to any Mac user it such a nice piece of kit I prefer it over the Magic Mouse!

Fri Dec 31

12:40pm @0100 yep I will enjoy thanks, already on my new toy HTC hd7 ;)

12:44pm Loving my b-day prezzie a brand spanking new HTC hd7 :-D very swish

2011

Sun Jan 02

10:48am After a few days with my HTC HD7 I've got to say liking it more then my iPhone and it may have aslinbrought to light a Spotify replacement!!

05:38pm Right disater over after mate dropped a champers bottle through the loo on NYE we finally have a new loo!

Mon Jan 03

12:42am Wooah just had a very freaky moment listening to whiskey in a jar by Thin Lizzy turned over to radio and sane song but 4 secs behind!
Spooky

02:32pm well dont I want to cry after I thought my disater bday had gone it came back to haunt me and blew the said champers bottle all over my mac!

Tue Jan 04

02:25pm Loving how fluid my wp7 is even under heavy load, think by far this a good choice in platforms just need devs to get app market better now!!

Thu Jan 06

08:33am @sealeyd you got limp balm, I got an ice scraper from capital fm weird selection of goodies I must say.

08:34am This was branded out to train commuters so they can scrape thier.....trains? <http://twitpic.com/3ngnb4>

Fri Jan 07

09:02am A week with the HTC HD7 and I must say Windows Phone 7 is awesome it's social functional an UI just works! Just need app market boosting!
